**THE ARMY RESERVE OFFICERS' TRAINING CORPS (ROTC)
TWO, THREE & FOUR YEAR ACTIVE DUTY SCHOLARSHIP
PROGRAMS**

GENERAL INFORMATION

The Army ROTC scholarship program provides financial assistance for the education and training of highly qualified and motivated young men and women who desire to be commissioned as officers in the Army after graduation from college.

The Army ROTC Green to Gold Scholarship Program provides selected active duty enlisted members of the Army an opportunity to complete their baccalaureate degree requirements and obtain a commission through participation in the ROTC scholarship program. Enlisted members who have completed 1 year of college work toward their degree will be considered for 3-year scholarships. Those who have completed 2 years of college will compete for 2-year scholarships. Individuals who have not attended college or have 4 academic years remaining for a baccalaureate degree may compete for a 4-year scholarship. Enlisted members who have completed a baccalaureate degree and have 2 years remaining to obtain a masters degree may apply for a graduate degree scholarship.

Enlisted personnel who receive these awards are discharged from Active Duty for the sole purpose of enrolling as an Army ROTC scholarship cadet in the fall of the year of award. All active duty pay and benefits are terminated upon discharge. Terminal/transition leave is not authorized if enrolled in Army ROTC. Credit for military service is not received while in ROTC. Applicants are advised that current Department of Defense policy requires scholarship recipients to fulfill all commitments of any enlistment/reenlistment bonus received or agree to reimburse the government for the unfulfilled portion at the time of separation.

A U.S. Army ROTC scholarship will provide financial assistance toward college tuition and educational fees up to an annual amount published yearly by Cadet Command. Additionally, a flat rate amount per year is provided to purchase textbooks, classroom supplies and equipment. The scholarship does not pay for aviation flight fees, room or board. Army ROTC scholarship winners also receive a tax-free subsistence allowance of an annually published amount per month for up to 10 months a school year and are paid while attending the ROTC Advanced

Camp. The Army ROTC Scholarship Program does not cover the expense of moving your family and household goods from your actual permanent place of abode, home or Army school to the educational institution you will be attending. Contracted ROTC cadets are not authorized use of medical facilities, exchanges or commissaries except during the periods in which they are attending summer camp. During the period of their scholarship, recipients may, if qualified, receive any portion of the Montgomery GI Bill/Army College Fund benefits they earned while on active duty.

To qualify for benefits under the Montgomery GI Bill, active duty members must:

- serve at least 20 months on active duty if initial obligation is 2 years, or
- serve 30 months on active duty if initial obligation is 3 years or greater, and
- have received a high school diploma or equivalent prior to completion of their initial tour of active duty.

NOTE: Soldiers who request a discharge to enroll in ROTC cannot receive their GI Bill/Army College Fund benefits if they have not completed the minimum length of active service before discharge and contributions to the plan are nonrefundable.

For further information regarding eligibility for Montgomery GI Bill/Army College Fund, contact an education counselor at your installation's Education Center or you may write Commander, PERSCOM, ATTN: TAPC-PDE-EI, 2461 Eisenhower Avenue, Alexandria, Virginia 22331-0472. The important point is to ensure you fully understand the benefits before making any decision.

Applicants offered scholarships must apply and be accepted at a college or university that offers Army ROTC and the academic discipline which you indicated you will pursue. Engineering and/or Nursing scholarship recipients must attend a school with an accredited Engineering and/or Nursing program. Nurse recipients are not authorized to change majors at any time.

You may pursue any course of study leading to a baccalaureate degree listed on page 19 and may engage in any campus/community activity that does not interfere with your requirements.

In addition to your normal studies, scholarship cadets must successfully complete the prescribed military science courses, professional military education subjects, the ROTC Advanced Camp (normally between Junior and Senior years), and any other training that may be prescribed by the Secretary of the Army as a requirement for commissioning. Recipients of these awards are not permitted to participate in the Simultaneous Membership Program (SMP) which permits simultaneous membership in both the Senior ROTC program and U.S. Army

Reserve/Army National Guard. Upon successful completion of military science and baccalaureate degree requirements, scholarship cadets will be commissioned as a Regular Army or U.S. Army Reserve second lieutenant in one of the officer accession branches of the U.S. Army. An individual's branch preferences and needs of the Army determine the branch received at the time of commissioning.

ELIGIBILITY

To be eligible to receive an Army ROTC scholarship, you must--

a. Be a citizen of the United States.

b. Be under 27 years of age on 30 June of the year you complete all requirements for a commission and a college baccalaureate degree. However, this age can be extended 1 year for 1 year of military service. The maximum extension is 3 years. This is a statutory requirement and there are no waivers authorized beyond the allowed extension.

--with 2 years of active service you must be under 29 on 30 June of the year of commissioning

--with 3 years of active service you must be under 30 on 30 June of year of commissioning

If you are already 30 at the time of graduation do not subtract time in service. To ensure age eligibility subtract the birth date from 30 June of the graduation year, then subtract number of active duty years. If result is less than 27, individual is eligible. Example: Individual is currently 26 years old with 2 years 5 months 5 days active duty and has 2 years of college remaining (graduation year 2003).

	YY	MM	DD
30 Jun of Grad Year	03	06	30
Birthdate	74	02	26
Age when Grad	29	04	04
Subtract AD service	02	05	05
	26	10	29

Remember these borrowing rules. If the day of birth exceeds 30 you borrow 30 days from month column. If you need to borrow from the year column, you will move 12 months to the month column. In the example individual will be 29 years, 4 months and 4 days old on 30 Jun of the graduation year, but with active duty credit his age shows as 26 years, 10 months and 29 days on the 30th of Jun of the graduation year and is eligible.

c. IAW Lautenberg Amendment Gun Control Act of 1968, a soldier cannot have a misdemeanor record of a Domestic Violence Conviction (DVC).

d. Have no moral obligation or personal conviction that will prevent you from:

(1) Supporting and defending the Constitution of the United States against all enemies, foreign and domestic.

(2) Conscientiously bearing arms.

e. Have completed a minimum of 2 years of Active Duty as well as three months of active duty for every one month of specialized training received (e.g., Language or Critical MOS) as of the date of discharge. Waiver of service obligation for training may be requested. Headquarters, Cadet Command is not the approving authority of service obligation waivers, this can only be done by HQDA. Provide this headquarters with a copy of basic DA Form 4187. This headquarters will forward the DA Form 4187 to HQDA with your scholarship award information upon award of scholarship and clearance of all medical and administrative conditions.

f. Have received a score of 110 or higher on the General Technical (GT) Aptitude Area of the Army Classification Battery if applying for a 2-, 3-, or 4-year scholarship. No waivers authorized. A soldier may retest.

g. Have passed an Army Physical Fitness Test (APFT) and achieved a score of 180 or higher with a minimum of 60 points in each event within the last six months.

h. All applicants applying for a scholarship must be a high school graduate or the equivalent. Four and 3-year scholarship applicants must have a minimum SAT score of 920 or ACT composite score of 19. Waiver requests will be accepted in the form of memorandum with justification from Battalion Commander. Commanding General, Cadet Command, has waiver approval authority. Proof of SAT or ACT must be submitted. If taking new test use SAT code 0454 or ACT code 1676 to have scores automatically sent to Cadet Command. To be competitive you should retake the SAT/ACT rather than submit a waiver request.

i. Two and 3-year applicants must have a minimum cumulative grade point average of 2.5 on a 4.0 point grading system on all previous college work completed. Four year applicants must have a cumulative high school grade point average of 2.5 on a 4.0 grading scale. Use of weighted GPA is not authorized. Waiver requests will be accepted in the form of a memorandum with justification from the Battalion Commander.

j. To apply for a 2-year scholarship, individual's CC Form 104-R (Planned Academic Program Worksheet) must indicate 2 years remaining (4 semesters/6 quarters) as a full-time student to degree completion. Course overloads are not

authorized and summer sessions are not authorized. Transfer hours accepted by the school you will be attending **toward the degree** you intend to pursue must be included on the ROTC Cadet Command Form 104-R, block 5.b(1) and confirmed by the school administration through evaluation of transcripts.

k. Obtain a letter of acceptance from a baccalaureate degree producing college or university offering Army ROTC. The letter must indicate you have either been unconditionally accepted as:

Academic for a	Scholarship	starting	Graduating in Spring
Junior	2-year	Fall of	2 years later
Sophomore	3-year	year of	3 years later
Freshman	4-year	the award	4 years later

l. Obtain a letter of acceptance from the Professor of Military Science (PMS) into the Army ROTC program at the school you plan to attend and the start date of the school term. Contact the PMS at the institution in order to receive this letter.

You may request a waiver as specified in the application procedures listed below. Requesting a waiver does not ensure approval.

- l. Are an applicant with a spouse in a military component of any armed service (excluding members of the Individual Ready Reserve (IRR)) who has one or more dependents under 18 years of age.

(DA Form 3286-31-R, Statement of Understanding U.S. Army Enlisted Policy for Applicants Without Spouse Who Have Surrendered Custody of Dependents, will be used as a guide.) An exception to the disenrollment will only be considered if extraordinary circumstances prevail such as the death of the legal guardian or adult. A soldier married to an Army National Guard member with a dependent, but said soldier has not adopted the dependent means he/she has no dependent and is eligible.

 - Serving 8 years in an ARNG or USAR Troop Program Unit which includes a 3- to 6-month active duty period for initial training.

APPLICATION PROCEDURES

Read instructions carefully. Print or type the information required. Incomplete or inaccurate forms may eliminate you from further scholarship consideration. It is **your responsibility** to ensure that all required forms are submitted to Headquarters, Cadet Command, Green to Gold Scholarship, 55 Patch Road, Building 56, Ft. Monroe, VA 23651-1052 and **RECEIVED NOT LATER THAN 1 APRIL** of the current year unless otherwise stated. Incomplete files will not be forwarded to the Army ROTC Scholarship Selection Board for review. **NOTE: RETAIN A COPY OF ALL PAPERWORK FORWARDED FOR YOUR RECORDS.**

Your completed application will consist of the following: **(NOTE: See checklist on pages 12)**

- a. [Cadet Command Form 173-R](#) (Application for U.S. Army ROTC Green to

Gold 4, 3, and 2-Year Scholarship). If your answer to Item 18, civil conviction is yes **YOU MUST REQUEST A WAIVER OF THE DISQUALIFICATION.** The waiver request must be submitted with your application. Include a complete written description of the offense, to include all circumstances leading up to arrest and conviction and complete sentence imposed, copy of the court record which indicated the charge, plea, and/or findings, as well as the sentence imposed and the record showing satisfaction of the sentence (when court records are not available this fact must be established by correspondence from the court), and three recent letters of character reference which indicate that the writer is aware of your specific situation requiring a waiver. Your statement must be certified under oath. If an offense occurs after you submit your application up to the date of discharge you must also inform this headquarters and request a waiver.

b. Cadet Command Form 173-R (continued). A favorable recommendation from your commanding officer and field grade commander commenting on your officer-like qualifications, i.e., leadership potential, appearance, personality, military record and aptitude for further military training.

c. Cadet Command Form 103-R (Active Duty/Reserve ROTC Scholarship Applicant Snapshot). Affix a recent (within the last 3 months) photograph which will be retained by this headquarters. A full length photograph in uniform is requested. Print your name and social security number on the back of the snapshot or photograph and on the form.

d. A copy of APFT scorecard (DA Form 705).

e. A current up to date copy of your Personnel Qualification Record, Enlisted Records Brief.

f. Medical Examination. If you have had a medical examination within the last 6 months, you may use this medical for your application. However, before submitting, you should take this examination to your supporting medical treatment facility and request they perform any missing or incomplete tests as required by AR 40-29 dated October 1989. Data should be transposed onto the attached forms (DD 2351, DD 2492 and DD 2480). If no previous medical is available, please have your Commanding Officer/First Sergeant contact your supporting medical treatment facility and request they accomplish a physical IAW AR 40-29. The medical forms attached have to be used. DODMERB will not process and return any physicals not on these forms. If any additional tests or evaluations are required for final medical determination, DODMERB will return the packet to you at your unit of assignment. DODMERB will return the completed physical back to this headquarters. **You must be fully medically qualified for scholarship PRIOR to discharge.** Medical examinations must be submitted at the time of application to this headquarters, ATTN: ATCC-OI (Active Duty Scholarships), Ft Monroe, VA 23651-5238, or not later than 30 days after submission of your application packet. This headquarters will forward the physical to DODMERB

with the appropriate form for processing as an Army ROTC scholarship applicant. **DO NOT SEND THE PHYSICAL YOURSELF TO DODMERB.** Delay in forwarding physical could result in not being medically qualified in sufficient time to be released from the Army for fall enrollment. The physical qualification process normally takes DODMERB anywhere from 6-8 weeks from start to finish. Any remedials or follow-up required by DODMERB should be accomplished by you prior to announcement of selections.

g. Official transcripts of all colleges you have attended. Application files with partial transcripts will not be considered by the selection board. The school accepting you for attendance should establish a grade point average (GPA). However, if GPA is not established by the school then the GPA from your latest complete transcript will be used. If you have received college credit by means of the USAFI or CLEP tests, official results of such tests must also be furnished to this headquarters. College Grade Reports are not transcripts and are unacceptable. High school transcripts are required for individuals applying for a 4-year scholarship.

h. Results of Scholastic Aptitude Test (SAT) or the American College Test (ACT) if you are applying for a 3- or 4-year scholarship. Applicants must achieve a minimum SAT score of 920 (composite of Verbal and Math) or an ACT composite score of 19 to qualify for competition. If you are scheduled to take the ACT or SAT exam, to ensure your test results are forwarded directly to us from the SAT and ACT testing agencies, use the SAT code 0454 or ACT code 1676 when you complete the registration forms. If you take both the SAT and ACT furnish the results of both tests to this headquarters. Results must be received by 1 Apr prior to fall enrollment. Any other college board test taken other than ACT or SAT are unacceptable (e.g. CEEB, etc).

i. Letter of acceptance from a baccalaureate degree producing college or university offering Army ROTC indicating your status as an academic freshman, sophomore or junior. For the 2- and 3-year scholarship, if you are undergoing academic studies and have not attained sophomore or junior status (whichever is applicable) at the time of application to a school, the letter may state that you are conditionally accepted pending final completion of current studies. A follow-up letter and Cadet Command Form 104-R indicating your status will be required prior to selection in May.

j. Letter from the Professor of Military Science (PMS) acknowledging contact has been made and they are aware of your pending enrollment in their program.

k. Planned Academic Program Worksheet (ROTC Cadet Command Form 104-R). If applying for a 2- or 3-year scholarship, the enclosed form indicating your academic status must be completed by the university's departmental head and received by HQ Cadet Command no later than 1 Apr. (Example: If you are applying for a 2-year and your intended major is Nursing, the 104-R must be from

the School of Nursing.) The Professor of Military Science at the institution you plan to attend will assist you in the completion of this form. If the school you plan to attend does not host Army ROTC, please have the school official forward the form to the Army ROTC host institution with which a partnership school agreement in ROTC is authorized. Verification form must indicate you have been accepted in the academic discipline which you indicate you will pursue.

Scholarship recipients must attend the institution which provides the Form 104-R. Recipients who desire to attend a school other than the one which provided the initial 104-R must submit a subsequent 104-R verifying your academic status, letter of acceptance from the college/university, and the letter of acceptance from the PMS to this headquarters for approval prior to accepting the award and discharge. This form must be signed and authenticated by the student and the registrar. Changing of school between discharge and contracting will not be authorized. Cadet Command Form 104-R containing summer sessions will not be accepted. Scholarships are awarded to the school you applied to and cannot be used at any other school without Headquarters, Cadet Command approval.

l. Evaluation of Transfer of Credit. If you will be attending a college/university other than the one from which you obtained your college credits, an evaluation of transfer of credits is required.
